RESOLUTION CROSS CUP

December 12-13

Resolution 'Cross Cup returns for the fourth consecutive year to Garland (Northeast Dallas) and Winters Park Amphitheater. This year's re-designed course includes Belgian stairs and increased use of the park's steep contour, and reprises the popular BMX-style pump track downhill and creek bottom "wall" climb. Spectators will revel in close access to racing excitement and heckling opportunities throughout the venue.

REGISTRATION

Online registration is available thru BikeReg and closes **Thursday, December 10th at 10:00 PM CST**. On-site, race-day registration will incur a one-time \$5 late fee for USAC adult categories. Additional USAC race registrations per day are \$15 each. There will be NO on-site, late registration for the ProCX/UCI elite races (please plan accordingly).

RACE NOTES

Races run in rain, sleet, snow or shine (sun most likely; this is Texas!); no refunds. No warm-up on the course while races are in progress (disqualification may occur). The course will be open for a pre-ride session Friday, December 11th at 4:00 pm. You must sign an event rider release waiver before riding the course. Consult the race technical manual for more detailed information (available on race website).

USAC events:

Current 2015 USAC annual or one-day license required (one-day license and annual licenses available for purchase). One-day license purchase limits the racer to category 5 (men), 4 (women), singlespeed, master 40+/50+/60+ and all junior events only. All USAC rules apply (helmets must be worn at all times while on your bicycle; mountain bikes are permitted, no bar-ends). Promoter reserves the right to combine/change races and payout if a minimum of 15 riders per adult category is not met. Call-ups will be based on USAC rankings for pre-registered riders only.

ProCX/UCI events:

Current UCI international license required. For detailed information regarding race rules and management please refer to the race's technical manual (see race website).
